

SPECIAL NOTE AS TO POSTING OF THE ALTERNATE ESTIMATES ON FCO WEBSITE

Please note that the Estimate amounts listed for the seven (7) Alternates posted on the FCO website’s “Notice to Bidders” is not correct. A technical problem occurs when loading multiple Alternates (usually three or more) and causes an issue with the matching of the Alternate with its specific cost Estimate causing an incorrect “jumbling” of the Alternates and their Estimates on the FCO website’s Notice to Bidders.

Please refer to the Solicitation for the proper alignment of the Estimate amounts. The Alternates and their Estimates are also posted below for your convenience:

Alt. 1	\$2,905
Alt. 2	\$2,195
Alt. 3	\$5,786
Alt. 4	\$9,076
Alt. 5	\$9,066
Alt. 6	\$1,320
Alt. 7	\$3,795
